Features Reliable, Reliable Material on Teen Health for Teens!

Library Journal **Best Database**

"Best for High Schoolers"

"...well-organized and easy to navigate...
vibrant and engaging..."—LIBRARY JOURNAL

"...user-friendly...**Recommended**..."—LIBRARY MEDIA CONNECTION

"...provides **comprehensive, trustworthy health information** in an interface that helps users find answers quickly."—VOYA

"...a unique database with deep content with great browse searching, good illustrations and videos, and useful learning centers...
recommend[ed] for middle and high schools as well as for larger public libraries."
—AMERICAN REFERENCE BOOKS ANNUAL

An Essential Resource for Your Health Curriculum, Guidance Department, and General Student Use

Health Reference Center includes in-depth coverage of body systems, health issues, diseases, conditions, and treatments, as well as information specific to men, women, children, teens, and seniors. Focused Topic Centers highlight specially selected content to help users find a starting point for their research. The authoritative source list features up-to-date, expertly researched and written content, including a wealth of proprietary titles—information researchers can trust.

This important resource helps improve analytical and decision-making skills, addresses social pressures and influences, and provides functional health knowledge that encourages students to practice healthy behaviors.

Health Reference Center

HIGHLIGHTS AND FEATURES

The screenshot displays a user interface with several sections:

- Teen's Health:** Includes sub-sections like Abuse and Abusive Behavior, Alcohol and Alcohol Abuse, Anxiety, Depression, and Mental Health, Drugs and Drug Abuse, Family Life and Relationships, Online Behavior and Internet Predators, and Physical Fitness and Nutrition.
- Cancer:** Features articles such as 'Cancer: An Overview', 'Understanding Cancer Statistics', 'The Role of Diet in Cancer', 'Exercise and Cancer Prevention', 'Lifestyle Factors and Cancer Risk', and 'Nutrition and Cancer Treatment'.
- Key Videos:** Lists videos like 'Can Hate Crimes Be Justified?' and 'Heratopoietic Blood-Forming Cells'.
- Key Illustrations:** Shows diagrams for 'Abnormal Cell Growth Illustrations' and 'Growth Factor and Cancer Illustrations'.

Related Key Resources in Each Topic Center—

including videos, images, tables, and data—provide relevant visual material to help explain important or complex topics.

This block contains two diagrams:

- Glands:** An anatomical diagram showing the location and function of various glands in the human body, including the thyroid, parathyroid, adrenal, and pituitary glands.
- Indoor Allergen Control Measures:** A table with columns for 'Allergen' and 'Measures'. It lists allergens like dust mites, mold, and pet dander, along with control measures such as using HEPA filters and vacuuming.

DIY Teeth Straightening

This block shows a video player interface for 'DIY Teeth Straightening'. The video shows a dentist in a clinical setting working on a patient's teeth. Below the video player is a smartphone displaying a 3D digital model of a human head with a red circle highlighting the teeth area.

↑ **Editorially Curated Topic Centers:** specially selected content on key areas of health, specific types of diseases and disorders, and other reference topics. These comprehensive Topic Centers provide valuable study guides and entry points into the database.

Plus—

- **Comprehensive coverage:** a wealth of articles, videos, and illustrations on diseases and timely health topics
- **Journal articles** from PubMed Central and reference articles from MedlinePlus
- **Daily health news videos:** “Today’s Health” section featuring a new health news video five days a week from HealthDay TV to help users stay on top of the latest information
- **Videos and illustrations:** 5,000+ informational video clips and 2,500+ searchable color illustrations, many organized into convenient collections
- **Authoritative source list:** a complete inventory, by type, of the extraordinary amount of content in the database
- **Suggested Research Topics:** handpicked selections that showcase the best resources for each topic and provide guidance for research
- **Dynamic citations** in MLA, APA, Chicago, and Harvard formats, with EasyBib export functionality
- **Curriculum Tools:** writing and research tips for students and educators
- **Searchable** by Common Core, national, state, provincial, IB, College Board AP, NGSS, and national STEM standards
- Detailed information on healthy lifestyle choices, recognizing diseases, and seeking treatment
- Support for Google Sign-In, Save to Google Drive, and Share to Google Classroom
- Convenient A-to-Z topic lists
- Real-time, searchable Reuters® newsfeed
- Tag “clouds” for all content, linking to related material
- Search Assist technology
- BMI and conversion calculators
- Listing of various hotlines
- Read Aloud tool
- Google Translate
- Persistent record links
- A variety of integration options and partners, including Schoology, Canvas, and D2L
- Ability for users to set preferences for default language, citation format, and more
- Searchable Support Center with live chat help
