

Our library has **HEALTH REFERENCE CENTER**

Reliable, detailed information on the most important health topics—perfect for research papers and assignments

The screenshot shows the Health Reference Center website. At the top, there is a navigation bar with a search bar and links for Home, Browse, Curriculum Tools, Search Options, and Sources. The main content area is divided into several sections: Health Centers (Women's Health, Men's Health, Teen's Health), Reference Centers (Nutrition and Food, Complementary and Alternative Medicine, Dental and Oral Health), and Featured Videos. On the right side, there are two vertical lists: Browse Resources (BMI Calculator, Hotlines, Illustrations, MyPlate, Tables and Data, Topics A to Z, Videos) and Diseases and Disorders (Arthritis, Autism Spectrum Disorders, Autoimmune and Immune Diseases, Cancer, Cardiovascular Diseases, Depression and Other Mood Disorders, Diabetes, Digestive Diseases, Eating Disorders, Endocrine Diseases, + Show More). The website is accessed via a library's institutional login.

ACCESS INSTRUCTIONS: Check our library's website or contact a librarian for the link to *Health Reference Center*. If prompted to log in, please input the login details above.
